

IVAN VILDE

FRONT-END DEVELOPER

ABOUT ME

I'm 26 years old front-end developer. I had an experience of creating single-page application using JS library, frameworks. Converting design to landing page.

Interested in creating GUIs and related logic.

I'm fond of sports, especially boxing, skiing.

In my work, first of all, I am interested in well-established processes, the possibility of development and implementation.
